**Alterations and Additions to Meriden Senior School (SSD-39005127)
Operational Transport and Access Management Plan, Condition E13**

Dear Mr Arkell

I refer to your Operational Transport and Access Management Plan (OTAMP) seeking approval of the Planning Secretary under condition E13 of SSD-39005127. I acknowledge and thank you for your response to the Department's request for additional information.

I note the OTAMP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been prepared in consultation with Council and TfNSW; and
- contains the information required under condition E13.

Also, I note the OTAMP was submitted to the Department prior to the first increase in student numbers for which a non-compliance notification will be submitted.

Accordingly, as nominee of the Planning Secretary, I approve the Operational Transport and Access Management Plan, Revision 2 dated 16 April 2025, prepared by TTW (NSW) Pty Ltd, in accordance with condition E13 of SSD-39005127.

I remind you that the OTAMP is to be implemented effectively during core school hours, during any out-of-hours activities at the site for the life of the development as per the development consent.

Please note that if there are any inconsistencies between the approved OTAMP and the conditions of consent, the conditions will prevail.

Also, please make a redacted copy of the OTAMP (removing any emails with personal information) including this letter available for public access on the project website as per condition A23.

Should you have any questions, please contact Jeremy Martin at jeremy.martin@dpie.nsw.gov.au.

Yours sincerely
