Subject: Baldon Wind Farm – Amendment of Application

Dear Mr Boutry

I refer to your request to amend the development application and the Amendment Report for the proposed Baldon Wind Farm (SSD-40138508) which was submitted on 26 February 2026 in accordance with the *Environmental Planning and Assessment Regulation 2021* (the Regulation).

The Amendment Report has requested the following changes to the project application:

- amendments to the proposed transport routes;
- removal of five turbines; and
- reduction in disturbance footprint.

The Department has carefully considered the information provided and notes that the proposed amendments are in response to Government agency advice and submissions on the project, and aim to reduce the impacts of the project as a whole.

Accordingly, as delegate of the Independent Planning Commission, I agree to the amendment of the development application for the project as detailed in the Amendment Report in accordance with Section 38 of the Regulation.

If you have any questions, please contact Jess Watson, on (02) 9373 2845 or at jess.watson@dpie.nsw.gov.au.

Yours sincerely,
