Subject: Richmond Valley Solar Farm - Endorsement of Heritage Management Plan authors

Dear Miss Threlfall,

I refer to your request dated 20 October 2025 for the Planning Secretary's endorsement of suitably qualified and experienced persons to prepare the Heritage Management Plan for Richmond Valley Solar Farm under Schedule 2, Condition B15(a) of SSD-41020244.

The Department has reviewed the nominations and additional information you have provided and is satisfied that the following experts from NGH Consulting are suitably qualified and experienced:

- Matthew Barber, Technical Director - Heritage;
- Kirsten Bradley, Principal Heritage Consultant;
- Dr Tessa Bryant, Senior Heritage Consultant;
- Cassandra Venn, Senior Heritage Consultant; and
- Glenn Wilcox, Senior Heritage Consultant.

Accordingly, I can advise that the Planning Secretary endorses the appointment of the above authors to prepare the Richmond Valley Solar Farm Heritage Management Plan.

If you wish to discuss the matter further, please contact Katie Weekes on 4927 3223.

Yours sincerely,

Iwan Davies
Director
Energy Assessments

As nominee of the Planning Secretary
