Subject: Spicers Creek Wind Farm (SSD-41134610) - Environmental Management Strategy

Dear Ms. Jokadar,

I refer to your request for review and approval of the Environmental Management Strategy relating to Stage 1A (Pre-construction minor works activities associated with the wind farm and associated infrastructure, including road upgrades) for the Spicers Creek Wind Farm (SSD-41134610). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it generally meets the requirements of the relevant conditions of consent (SSD-41134610). Accordingly, as nominee of the Planning Secretary, I approve the Environmental Management Strategy (Rev 2, dated 19 March 2026) under Schedule 2, Condition C1.

You are reminded that if there are any inconsistencies between the Environmental Management Strategy and the conditions of consent, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Scotney Moore, on 02 9274 6342.

Yours sincerely
