### Notice of an application for Development Consent

A development application has been made to the Minister for Planning and Public Spaces by RZ Resources Limited (ABN 23 160 863 892) for State Significant Development Consent for the Copi Mineral Sands Project. RZ Resources Limited gives notice of the development application in accordance with Section 23(3)(b) of the *Environment Planning and Assessment Regulation 2021*.

#### Application details

Application No.: SSD 41294067

Applicant: RZ Resources Limited

LGA: Wentworth and Broken Hill Local Government Areas and the Unincorporated Area of NSW

Site Location: Mine Site approximately 75km northwest of Wentworth  
NSW Rail Facility off Holten Drive, Broken Hill

#### Project overview

The Project would comprise the following:

- mining using a combination of traditional dry (excavate, load and haul) and wet (dredging) mining techniques to extract heavy mineral ore
- on site processing to produce up to 511,000tpa of mine products
- transportation of mine products in sealed containers from the mine site to the existing Broken Hill Rail Facility
- progressive site rehabilitation to establish a final landform with improved ecosystem function
- construction and use of ancillary infrastructure, including the following:
  - a mine camp for 200 people
  - offices and administration facilities
  - workshops and stores
  - a site access road
  - a 66kV transmission line adjacent to the site access road
  - internal access roads.

The life of the Project will be 26 years, comprising an initial two year construction period, followed by 17 years of mining operations and a further period of seven years of rehabilitation.

#### Environmental Impact Statement

The Environmental Impact Statement will be placed on public exhibition by the Department of Planning and Environment and may be accessed via the Major Projects website:

[www.planningportal.nsw.gov.au/major-projects/projects/copi-mineral-sands-project](http://www.planningportal.nsw.gov.au/major-projects/projects/copi-mineral-sands-project)

During the exhibition period, written submissions can be made directly to the Department.

#### Want to know more?
