Subject: Appointment of Suitably Qualified and Experienced Persons Endorsement

Dear Mr Olson

I refer to your request dated 12 January 2026 for the Planning Secretary's endorsement of Suitably Qualified and Experienced Persons to prepare a Water Management Plan in accordance with Schedule 2, Condition C22 of the Development Consent for the project number.

Your submission details that Jeff Burton, of Burton Environmental, will prepare the Water Management Plan under direction from Aeris Resources. Chris Bonomini of Engeny, will provide technical oversight, review and endorsement of the Water Management Plan to ensure it is prepared in accordance with the conditions of consent, relevant guidelines and industry best practice.

The Department has reviewed the nominations and information you have provided and is satisfied that Chris Bonomini is suitably qualified and experienced.

Accordingly, I can advise that the Planning Secretary endorses the appointment of Chris Bonomini to provide technical oversight, review and endorsement of the Water Management Plan to ensure it is prepared in accordance with the conditions of consent, relevant guidelines and industry best practice. If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406.

Yours sincerely
