Subject: Constellation Project (SSD-41579871) - Environmental Management Strategy

Dear Mr. Olson,

I refer to your request for review and approval of the Environmental Management Strategy for the Constellation Project (SSD-41579871).

The Department has carefully reviewed the document and is satisfied that it generally meets the requirements of the relevant conditions of consent (SSD-41579871). Accordingly, as nominee of the Planning Secretary, I approve the Environmental Management Strategy (Rev 1.1, dated 23 April 2026) under Schedule 2, Condition B1.

You are reminded that if there are any inconsistencies between the Environmental Management Strategy and the conditions of consent, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

The Department notes this revision of the Environmental Management Strategy is a combined plan between Tritton Copper Mine (DA41/98) and the Constellation Project (SSD-41579871) see task DA41/98-PA-38. This Environmental Management Strategy document will also be approved under the Tritton Copper Mine consent in Post Approval Task DA41/98-PA-40.

If you wish to discuss the matter further, please contact Scotney Moore, on 02 9274 6342.

Yours sincerely
