Subject: Constellation Project (SSD –41579871) – Noise and Vibration Management Plan

Dear Mr. Olson,

I refer to your submission of the Noise and Vibration Management Plan for the Constellation Project.

The Department notes this revision of the Noise and Vibration Management Plan is a combined plan between Tritton Copper Mine (DA41/98) and the Constellation Project (SSD-41579871), see task DA41/98-PA-38. This Noise and Vibration Management Plan document has also been submitted under the Tritton Copper Mine consent in Post Approval Task DA41/98-PA-43.

While there is no requirement for the Noise and Vibration Management Plan to be prepared to the satisfaction of the Planning Secretary in the Development Consent, as nominee of the Planning Secretary, I acknowledge receipt of the Noise and Vibration Management Plan for the Constellation Project. The Department has no comments on the document at this time.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Scotney Moore, on 02 9274 6342.

Yours sincerely

Stephen O'Donoghue
Director
Resource Assessments

As nominee of the Planning Secretary
