Cultural Heritage Management Sub-Plan, Condition B20

Dear Ms Bennett

I refer to the Cultural Heritage Management Sub-Plan (CHMSP) submitted to the Planning Secretary under condition B20 of SSD-41814831.

I note the CHMSP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been submitted prior to the commencement of any construction works;
- contains the information required by condition B20(b) and B20(c); and
- commits to fulfilling the requirements of condition B20(a) within a Heritage Interpretation Plan.

I also note that the Heritage Interpretation Plan will be submitted to the Certifier as required by condition D34.

Accordingly, the Department has filed the Cultural Heritage Management Sub-Plan, Version 3 dated 5 April 2024, prepared by David Marcus of Austral Archaeology, for our information under condition B20 of SSD-41814831.

I remind you to submit the photographic recordings to Council and the Planning Secretary in the Archival Recording Report as per condition B20(b).

Please note that if there are any inconsistencies between the CHMSP and the conditions of consent, the conditions will prevail.

Please ensure you make the CHMSP publicly available on the project website as per condition A23 of the consent.

If you have any questions, please contact Jake Simpson at jake.simpson@dpie.nsw.gov.au.

Yours sincerely
