Community Communication Strategy, Condition B9**

Dear Ms Bennett

I refer to your Community Communication Strategy (CCS) submitted to the Planning Secretary under condition B9 of SSD-41814831.

I note the CCS:

- was reviewed by the Applicant, and no issues were raised to the Department;
- contains the information required under condition B9; and
- was submitted to the Planning Secretary prior to the commencement of construction.

Accordingly, the Department has filed the Community Communication Strategy, Version 1.0 dated 4 April 2024, for our information under condition B9 of SSD-41814831.

I remind you to facilitate communication between the Applicant, Council, community, adjoining affected landowners and businesses, and others directly impacted by the development during the design and construction of the development, and for a minimum of 12 months following the completion of the construction.

Please note that if there are any inconsistencies between the submitted CCS and the conditions of consent, the conditions will prevail.

Also, please ensure you make the CCS available for public access on the project website, as per condition A23.

If you have any questions or wish to discuss the matter further, please contact Jake Simpson on jake.simpson@dpie.nsw.gov.au.

Yours sincerely
