**Construction Flood Emergency Management Plan, Condition B20**

---

Dear Mr Lau

I refer to your Construction Flood Emergency Management Plan (CFEMP) submitted to the Planning Secretary under condition B20 of SSD-43065987. I also acknowledge and thank you for your response to the Department's request for additional clarification and information.

I note the CFEMP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been prepared in consultation with NSW State Emergency Services (SES) where evidence has been provided;
- contains emergency strategies for all stages of construction and will be updated and submitted to the Department prior to every construction stage, if necessary;
- includes the information required by condition B20; and
- has been submitted to the Department prior to the commencement of Stage 1 construction.

Accordingly, the Department has filed the CFEMP, prepared by Taylor Thomson Whitting (NSW) Pty Ltd, Final Issue 4 dated 20 December 2023, for our information as per condition B20 of SSD-43065987.

I remind you to submit a copy of the final CFEMP to the Certifier, as per condition B20. Also, i remind you to implement the final CFEMP for the duration of Stage 1 construction as per condition B21.

Please note that if there are any inconsistencies between the submitted final CFEMP and the conditions of consent, the conditions will prevail.

Also, please make the final CFEMP publicly available on your website in accordance with conditions A25 and B22 of the consent.

If you have any questions or would like to discuss this matter, please contact Matt Wood at [matthew.wood@dpie.nsw.gov.au](mailto:matthew.wood@dpie.nsw.gov.au).

Yours sincerely
