**Upgrades to Carlingford West Public School and Cumberland High School (SSD-43065987)
Operational Noise Monitoring Report, Condition E15**

Dear Mr Soares

I refer to the Post Occupancy Acoustic Survey (monitoring report) submitted to the Planning Secretary under Condition E15 of SSD-43065987 (as modified), following occupation of Building W and X at the Carlingford West Public School.

I note that the monitoring report:

- relates to the Carlingford West Public School only;
- was reviewed by the Applicant, and no issues were raised;
- summarises the methodology for monitoring noise emissions; and
- considers the results of the monitoring outcomes against the operational noise criteria.

Accordingly, the Department has filed the Post Occupancy Acoustic Survey, Revision 0, dated 19 September 2025, prepared by Pulse White Noise Acoustics Pty Ltd, for our information, under Condition E15 of SSD-43065987.

You are reminded that if there are any inconsistencies between the monitoring report and the conditions of approval, the conditions prevail.

Please ensure you make the monitoring report publicly available on the project website.

If you wish to discuss the matter further, please contact Hala Fua, who can be contacted at hala.fua@planning.nsw.gov.au.

Yours sincerely

Matt Wood
