**Upgrades to Carlingford West Public School & Cumberland High School (SSD-43065987)
Operational Noise Monitoring Report, Condition E15**

Dear Jose

I refer to the Post Occupancy Acoustic Surveys (the surveys) submitted to the Planning Secretary in accordance with condition E15 of SSD-43065987, as modified.

I note the surveys:

- were reviewed by the Applicant, and no issues were raised to the Department;
- summarise the methodology used for monitoring noise emissions; and
- assess the results of the noise monitoring outcomes against the operational noise criteria.

Accordingly, the Department has filed the following surveys for our information as per condition E15 of SSD-43065987:

- Carlingford West Public School – Building Z & Y, Post Occupancy Acoustic Survey, Revision 0 dated 14 December 2025, prepared by Pulse White Noise Acoustics Pty Ltd; and
- Cumberland High School – Building Z & Y, Post Occupancy Acoustic Survey, Revision 0 dated 14 December 2025, prepared by Pulse White Noise Acoustics Pty Ltd.

Please note that if there are any inconsistencies between the submitted noise monitoring surveys and the conditions of consent, the conditions will prevail.

Also, please make the noise monitoring surveys available for public access on the project website at the earliest convenience, if already not done so.

If you have any questions, please contact Hala Fua at hala.fua@planning.nsw.gov.au.

Yours sincerely
