Re: MODIFICATION 3 TO SSD-44034342 – Landscape Architectural Advice for Integrated Mental Health Complex

Dear Mr Derbyshire

Site Image has undertaken updates to the following landscape documentation reflecting the following architectural changes

1. Removal of seating to landscaped area.
2. Extent of sandstone blocks to landscaping reduced.
3. Removal of external pergolas.
4. Update to Staff Courtyard Landscaping.
5. Adjustment to paving extent.
6. Removal of Green Roof over loading dock, replace with gravel base.
7. Landscaped courtyard adjustments.
8. Rationalisation of planting numbers.
9. Update to ESD Report - refer to report.
10. Addition of mechanical louvres to facade.
11. Alternative brick selection & bond - change from soldier course to standard stretcher course.
12. Alternative pavement type to northern landscape area

Amendments within the documentation are summarised below with references indicated within the plans and documents.
