Subject: Approval of Nitrogen Dioxide Monitoring Procedure – Project Echidna Data Centre (SSD-47320208)

Dear Mr Andrews

I refer to the Nitrogen Dioxide Monitoring Procedure (NDMP) submitted in accordance with Condition B5 of Schedule 2 of the consent for the Project Echidna Data Centre (SSD-47320208).

The Department has carefully reviewed the NDMP prepared by Northstar Air Quality Pty Ltd, Version V1, dated 6 September 2024 and is satisfied that it meets the requirements of Condition B5 of Schedule 2 of SSD-47320208.

You are reminded that if there are any inconsistencies between the Plan and the conditions of consent, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Shaun Williams on (02) 8275 1345 or shaun.williams@planning.nsw.gov.au.

Yours sincerely

Joanna Bakopanos
