Subject: Amendment of Gundry Solar Farm (SSD-48225958)

Dear Ms Bolstad,

I refer to the Amendment Report which was submitted on 17 July 2025 in accordance with the *Environmental Planning and Assessment Regulation 2021 (the Regulation)* for Gundry Solar Farm (SSD-48225958).

The Amendment Report has requested the following changes:

- Updates to the development footprint as shown in the environmental impact statement (EIS) (460ha), to be consistent with the project description and area of assessment (512ha);
- Updates to mapping and figures within the EIS, biodiversity development assessment report (BDAR) and Aboriginal cultural heritage assessment report (ACHAR).

The Department has carefully considered the information provided and notes that the amendment was discussed with the Department and is considered to provide greater clarity to the development application.

Accordingly, as delegate of the Minister for Planning and Public Spaces, I approve the application for the amendment.

If you have any questions, please contact Cameron Ashe on 02 9995 5351 or via email at cameron.ashe@dpie.nsw.gov.au.

Yours sincerely,
