Dear Ms Jones

I refer to your letter received by the Office of Environment and Heritage (OEH) on 3 December 2012 seeking comments on the Section 96(1A) application to modify condition D2(b) to provide an alternative archaeological investigation strategy at 157 – 163 Cleveland Street, Redfern (SSD 4949-2011).

OEH has reviewed the relevant documents and only requests that the last sentence of the condition be amended as follows:

*"It shall be recorded and interpreted with reference to the historical and Aboriginal analysis of the site."*

Please note that the Heritage Branch may provide a separate response on behalf of the NSW Heritage Council. If you have any queries please contact Susan Harrison on 9995 6864.

Yours sincerely
