Subject: Bulga Coal Mine Optimisation (SSD-4960) Updated Environmental Management Strategy

Dear Mr Northey,

I refer to the updated Environmental Management Strategy which was submitted in accordance with condition 5 of Schedule 5 of the development consent for the Bulga Optimisation Project (SSD-4960).

The Department has carefully reviewed the document and notes that the changes that have been made are largely administrative in nature.

Accordingly, the Planning Secretary has approved the Environmental Management Strategy (Version 15.0, dated 8 August 2024). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kiera Plumridge via email at kiera.plumridge@dpie.nsw.gov.au.

Yours sincerely,

Joe Fittell
