I object to the proposed Stratford Extension Project for the following reasons:

1. 24-hour mining operations will impose an intolerable noise burden over a very wide area.
2. Noise impacts - we already experience noise nuisance and the expansion will make it worse.
3. Health impacts arising from coal dust and diesel exhaust fumes.
4. Mining so close to Stratford village.
5. Lighting which is already a problem and which will become worse with the expansion.
6. Reduction in property values.
7. Loss of fertile land.
8. A generational long term reduction of the socio-economic living standard in the local population.
8. Increased health care cost burden on the NSW state as a result of the increased pollution and the reduction of the living standard.

Sincerely,
Mieke Leppens
