Dear Mr Isaacs

**Atlas-Campaspe Mineral Sands Project (SSD_5012)
Construction Transport Management Plan**

I refer to your request dated 24 August 2020 submitting a revised Construction Transport Management Plan for the project which has been updated to reflect new light vehicle access and administrative changes following the approval of Atlas-Campaspe Mineral Sands Mine Modification 1.

The Department has reviewed the document and is satisfied that it addresses the requirements of condition 9 of Schedule 3 of the consent. However, the Department requests Section 1.3 of the management plan is updated to reflect the consultation undertaken for this revision of the management plan (Revision 2).

Accordingly, the Planning Secretary has approved the Construction Transport Management Plan (Revision 2, dated March 2020), subject to the update of consultation activities in Section 1.3. Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Emily Murray on 02 8837 6041.

Yours sincerely
