Dear Elisha,

Heritage NSW has reviewed the Draft Secretary's Environmental Assessment Requirements (SEARs) for the proposed Bullawah Wind Farm (SSD-50505215) (Hay Shire, Murrumbidgee, Edward River), with respect to Aboriginal Cultural Heritage (ACH). Heritage NSW is satisfied that the proposed SEAR's is adequate to access any ACH sites or values associated with the proposal. Heritage NSW has no additional comments. If you require any further information please contact me directly.

Kind Regards
Nicole Davis
