Dear Mr Wathen

Subject: The Plains Wind Farm (SSD-50629707) – Secretary’s Environmental Assessment Requirements (SEARs).

Thank you for the opportunity to provide advice on the above matter. This is a response from the Department of Regional NSW – Mining, Exploration & Geoscience (MEG) – Geological Survey of NSW (GSNSW).

MEG-GSNSW has reviewed scoping report and notes that there are currently no mineral titles/licences or extractive industries impacted by the project. MEG has no additional requirements to those in the draft SEARs.

Queries regarding the above information should be directed to the MEG-GSNSW Land Use team at landuse.minerals@regional.nsw.gov.au.

Yours sincerely,
