Good Afternoon,

Transgrid Reference Number: 2022-594

Proposal: **State Significant Development (SSD-50629707) - The Plains Wind Farm - Advice on SEARs**

Please see Transgrid response:

- This project is in its early stages. The Environmental Assessments team request that we review the Customer's EIS once available to confirm whether the grid connection works are adequately covered. Costs for the preparation of planning advice can be provided once requested.
- Property have no further comment and will provide the relevant Property advice to Lumea as part of the project.

Regards

Michael
