Dear Mr Gianatti

**North Ryde Station Precinct – Lachlan’s Line (SSD 5093)
Endorsement of Vegetation Management Plan**

Thank you for your correspondence dated 2 October 2019 and 2 March 2020, seeking approval to satisfy Condition D24 of the above development consent.

The Department has carefully reviewed the submitted Vegetation Management Plan (VMP) and additional information received on 2 March 2020 and is satisfied that:

- the VMP satisfies the requirements of Condition D24
- City of Ryde Council and Roads and Maritime Services have been consulted and raised no objection to the VMP.

Accordingly, as the Planning Secretary’s nominee, I am satisfied that Condition D24 of SSD 5093 has been met and I endorse the VMP prepared by Biosis Pty Ltd dated 2 October 2019.

If you have any questions about this matter, please contact David Schwebel, Planning Officer, Key Sites Assessments, at the Department on 9274 6400.

Yours sincerely
