Do you need to disclose a political donation?
No

Modification Details

Project Info

Project Name	Mandalong Mine Mod 8
Additional Capital Investment Value	AUD2,000,000.00
Additional Operation Jobs	345
Additional Construction Jobs	10

Modification Description

- Increase in the number of full-time equivalent (FTE) personnel at the Mandalong Mine Access Site (MMAS) across all weekday and weekend shifts at the mine, from the currently approved 470 to 815 (an increase of 345 FTE personnel);
- upgrade to the existing electrical substation at the MMAS; and
- clearing of vegetation to facilitate the upgrades to the existing substation and to allow for the expansion of existing car parking facilities at the MMAS.

How is the modification substantially the same as the original development?

The proposed modification is substantially the same development for which consent was originally granted being an underground coal mine. The modification is seeking to increase the number of FTE personnel at the MMAS, as well as upgrades to the existing substation and expansion of on-site car parking at the MMAS. The proposed modification will optimise the productivity and efficiency of ongoing operations at Mandalong Mine within the development consent boundary.
