Subject: Northern Region Air Quality and Greenhouse Gas Management Plan

Dear Mr Dunwoodie

I refer to the Northern Region Air Quality and Greenhouse Gas Management Plan submitted to satisfy Schedule 3, condition 10 of the consent for the Mandalong Southern Extension Project (SSD-5144). I note the document has been updated to reflect the transition from short to long-term air quality monitoring.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent. Accordingly, as nominee of the Planning Secretary, I approve the Northern Region Air Quality and Greenhouse Gas Management Plan (rev 9, dated March 2026).

You are reminded that if there are any inconsistencies between the Plan and the conditions of consent, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact James McDonough on (02) 9585 6313.

Yours sincerely
