Dear Mr Wearne

**Mandalong Southern Extension Project (SSD-5144)  
Rehabilitation Management Plan**

I refer to the revised Mandalong Rehabilitation Management Plan which was submitted on 26 November 2020, in accordance with Condition 33 of Schedule 3 of the consent for the Mandalong Southern Extension Project (SSD-5144). As agreed to by the Department in 2016, this management plan has been incorporated as part of the Mandalong Mine Mining Operations Plan (MOP).

The Department has carefully reviewed the document and is satisfied that it has been reviewed and updated as necessary. It incorporates changes that have resulted from the commencement of bord and pillar mining operations in "Mining Area 2" and Modifications 6, 7 and 8 to the consent.

Accordingly, the Planning Secretary has approved the Mandalong Rehabilitation Management Plan (incorporated in Mandalong Mine MOP – Amendment C, dated November 2020). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Colin Phillips on 9274 6483 or [colin.phillips@planning.nsw.gov.au](mailto:colin.phillips@planning.nsw.gov.au).

Yours sincerely

Matthew Sprott
