Dear James

**Mandalong Mine (SSD - 5144)  
Water Management Plan**

I refer to the Mandalong Mine Water Management Plan which was submitted in accordance with Condition 17 of Schedule 3 of the consent for the Mandalong Southern Extension Project (SSD - 5144).

The Department has carefully reviewed the document and is satisfied that it fulfils the requirements of the condition of consent and reflects the changes to water management at the Mandalong Southern Services Site.

Accordingly, the Secretary has approved the Mandalong Mine Water Management Plan (Revision 5, dated December 2029). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Colin Phillips on 9274 6483.

Yours sincerely
