Hi Melissa,

Transgrid Reference Number: 2025-110

SSD Number: (SSD-5145-Mod-4)

Location: 100 Miller Road, Fassifern, NSW 2264

Proposal: Expansion of an existing coal stockpile on the boundary of Transgrid's Easement. From 100,000 Tonnes to 400,000 Tonnes.

Transgrid Asset: Transmission Line 93 | Newcastle 330kV to Eraring PS 330kV | Structure 6D and 8D

Documents Provided: Main Report.pdf

Transgrid's Easement and Development Team have reviewed the paper DA dated 21st February 2025, for SSD-5145-Mod-4. Could you please confirm if you are the correct person to contact in regards to this submission, as we were unable to submit via the DPIE link provided in the paper DA.

Please find attached Transgrid's formal response to this enquiry (dated 12.03.25).

The attached letter is Transgrid's response to a high-level review as the easement holder only, and it does not constitute planning approval under the Environmental Planning and Assessment Act 1979.

For Transgrid's full range of guidelines and procedures, please refer to the following hyperlink: [Easement Guidelines - Protecting Your Safety | Transgrid](#)

If you have any questions regarding the attached response, please do not hesitate to contact our team via – Easements&Development@Transgrid.com.au

Kind regards,

Dene Paterson
