

Ms Erica Salazar  
Remediation / Waste Lead  
Viva Energy Australia Pty Ltd  
PO Box 26  
GRANVILLE NSW 2142

23/10/2020

Dear Ms Salazar

**Viva Energy (formerly Shell) Clyde Terminal Conversion (SSD 5147)  
Surrender of Project Approvals and Development Consents – Condition B8**

I refer to your correspondence dated 30 September 2020 regarding the surrender of a number of project approvals and development consents, pursuant to clause 97 of the Environmental Planning and Assessment Regulation 2000 and Condition B8 of SSD 5147.

The Department of Planning, Industry and Environment (the Department) acknowledges that Viva Energy Australia Pty Ltd (the Applicant) has surrendered the project approvals and development consents outlined in **Attachment 1** of this letter. Their surrender is effective from 30 September 2020, being the date on which the Applicant's notice of surrender was received by the Planning Secretary.

The Department notes that all other development consents listed under Condition B8 of SSD 5147 will be surrendered in a separate letter to Parramatta City Council (Council). It would be greatly appreciated if you could forward any response letter received from Council to the Department for its records.

If you wish to discuss this matter further, please contact Patrick Copas on (02) 9274 6273 or via email at [patrick.copas@planning.nsw.gov.au](mailto:patrick.copas@planning.nsw.gov.au).

Yours sincerely

A handwritten signature in black ink, appearing to read 'C. Ritchie'.

**Chris Ritchie**  
**Director**  
**Industry Assessments**  
As delegate of the Planning Secretary

**ATTACHMENT 1**  
**Project approvals and development consents surrendered by the Applicant**

Project Approval/ Development Consent	Determination Date	Description	Reference Number in Appendix B of SSD 5147
07_0067	28 April 2008	Hydrodesulphurisation unit upgrade of existing unit and associated infrastructure to reduce sulphur content in Diesel (HDS2).	DA/07/0067
07_1491*	21 December 2007	Upgrade to fluidised catalytic cracking unit.	DA/06/0013
		Fluidised catalytic cracking unit reactor and regenerator rejuvenation.	06_0013
DA 249-09-01 MOD 1	5 November 2007	Modification to HDS Unit – Demolition.	249-09-01-MOD 1
DA-140-6-2004-i	15 December 2004	Benzene reduction unit – Mogas Improvement.	DA-140-6-2004i
DA 249-09-01	11 January 2002	Upgrade hydrodesulphurisation plant.	249-09-01

\* While the application number is referenced in the signed version of the project approval as 07\_1491, it appears this may be in error and should instead reference 06\_0013.
