Sydney, NSW, 2000

May 28, 2015

Dear Chris,

I wish to advise that following an extensive review Viva Energy Australia Limited has decided not to progress the Gore Bay Terminal Modification Project. We request that the changed status of the project be reflected in the development application documentation currently with the Department of Planning and Environment (ref. number SSD-5148).

Thank you for assisting us with this application to this point.

Regards,

A handwritten signature in black ink that reads "Julie Seymour".

Julie Seymour
