### **Horsley Drive Business Park - Acoustic Requirements**

This letter confirms that an acoustic review of the proposed changes to the Horsley Drive, Business Park as detailed in the masterplan drawing (Masterplan MP-WSPT-FS-003-A-Plot DMA) has been undertaken by this office.

Based on the proposed changes to the project the previously conducted Construction Noise and Vibration Management Plan (Ref: 20120287.1/1909A/R2/BW) remain accurate and the findings of the report are unchanged for revised development.

We trust this information is satisfactory. Please contact us should you have any further queries.

Yours faithfully,

A handwritten signature in black ink that reads 'B.G. White.' The signature is written in a cursive, slightly slanted style.
