Dear Ms Hollis

**Bengalla Continuation Project Modification 4 (SSD 5170 MOD 4)
Request for comment on Response to Submissions**

I refer to your email of 28 May 2018 to the Department of Industry in respect to the above matter. Comment has been sought from relevant branches of Lands & Water. Any further referrals to Department of Industry can be sent by email to landuse.enquiries@dpi.nsw.gov.au.

The department has reviewed the response to submissions and has no further comment in relation to the proposal. The following recommended conditions are provided for consideration in assessment of the proposal:

- 1 That the proponent be required to install a shallow alluvial monitoring bore down gradient of the new Dry Creek East Dam and include in the Water Management Plan.
- 2 That the proponent be required to update the Water Management Plan in consultation with DoI Water.

Yours sincerely

Alex King
