Dear Ms McGrath

**Balranald Mineral Sands Project (SSD 5285)  
Groundwater Management Plan – T3 Bulk Sampling Activities**

Thank you for providing an updated Groundwater Management Plan for the T3 Bulk Sampling Activities stage of the Balranald Mineral Sands Project.

I note that this plan has been updated in response to comments made by the Department's Water Group on 16 April 2020.

The Department and its Water Group have carefully reviewed the updated plan and are satisfied that it meets the relevant condition of consent. Accordingly, the Secretary has approved the Groundwater Management Plan (version 6, dated 29 June 2020).

Please ensure that the approved plan is placed on the project website at your earliest convenience.

If you wish to discuss the matter further, please contact Andrew Rode on 02 8289 6744 or at [Andrew.Rode@planning.nsw.gov.au](mailto:Andrew.Rode@planning.nsw.gov.au).

Yours sincerely
