Anna,

We would like to proceed with the following amenities in Bank St Park.

We haven't specified the required number of male or female fixtures, as these should be determined by the relevant legal and code requirements. However, the general needs are outlined below:

- 2 × Female WCs – all with baby change
- 2 × All-gender WCs – all with baby change
- 2 × Male WCs – all with baby change
- 1 × Accessible WC – with baby change
- 1 × Parents' room including: toddler toilet, adult toilet, baby change, and a secure toddler area
- 1 × Adult change / Changing Places facility, if possible

Happy to discuss
