Subject: Environmental Management Strategy

Dear Mr McWha,

I refer to the combined Delta Coal Environmental Management Strategy (EMS), revision 4, dated 1 July 2024, which has been prepared in accordance with condition 1 of Schedule 6 of the development consent for Chain Valley Extension Project (SSD-5465) and condition 1 of Schedule 5 of the development consent for Manning Colliery – Continuation of Mining Project (MP 06\_0311).

The Department has carefully reviewed the EMS and is satisfied that it generally meets the relevant conditions of both development consents.

Accordingly, as nominee of the Planning Secretary, I approve the Environmental Management Strategy (rev 4, 1 July 2024).

You are reminded that if there are any inconsistencies between the Strategy and the conditions of consent, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience. If you wish to discuss the matter further, please contact Emily Pemberton on 0282 751 783.

Yours sincerely
