Subject: Air Quality and Greenhouse Gas Management Plan

Dear Mr Pigott

I refer to the Air Quality and Greenhouse Gas Management Plan submitted in accordance with Condition 13, Schedule 3 of the consent for the Chain Valley Extension Project (SSD-5465) and Condition 17, Schedule 3 of the consent for the Manning Colliery – Continuation of Mining Project (MP06_0311).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent. Accordingly, as nominee of the Planning Secretary, I approve the Air Quality and Greenhouse Gas Management Plan (dated January 2026).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact James McDonough on 02 9585 6313.

Yours sincerely

Director – Energy and Resource Assessments
