Dear Mr McWha

**Chain Valley Extension Project (SSD-5465)
Water Management Plan**

I refer to the recent submission of the Chain Valley Colliery Water Management Plan (WMP), version 5 dated 24 August 2021, which has been prepared in accordance with condition 18 of Schedule 3 of the development consent for the Chain Valley Extension Project (SSD-5465).

The Department has carefully reviewed the WMP and is satisfied that it generally meets the relevant conditions of SSD-5465.

Accordingly, the Planning Secretary has approved the WMP version 5, 24 August 2021. Please ensure that the approved WMP is placed on the project website at your earliest convenience.

If you wish to discuss the matter further, please contact Melissa Anderson on the details above.

Yours sincerely
