Dear Mr McWha

**Chain Valley Extension Project (SSD-5465)
Extension Request for Noise Mitigation Options Assessment**

I refer to your request (SSD-5465-PA-76) for an extension of time to submit the Noise Mitigation Options Assessment (NMOA), as committed to in the approved Noise Management Plan (NMP) for the Chain Valley Extension Project (SSD-5465).

The Department acknowledges that the commitment to undertake the NMOA by 30 June 2022 was made in the draft NMP dated 21 September 2021 and that the NMP was not approved until 19 April 2022, which lead to a delay in commissioning the assessment. Accordingly, the Secretary has granted an extension of time until 30th September 2022 for the submission of the NMOA.

If you wish to discuss the matter further, please contact Tanvir Islam on (02) 9995 6389.

Yours sincerely

James McDonough
Team Leader
Resource Assessments

As nominee of the Secretary
