Dear Ms Morales

### **Caltex Kurnell Refinery Conversion Works - SSD 5544 MOD 3 - Tank 101 Demolition Comment on the Statement of Environmental Effects**

I refer to your email of 6 September 2017 to the Department of Primary Industries (DPI) in respect to the above matter. Comment has been sought from relevant branches of DPI. Views were also sought from NSW Department of Industry - Lands that are now a division of the broader Department and no longer within NSW DPI. Any further referrals to DPI can be sent by email to [landuse.enquiries@dpi.nsw.gov.au](mailto:landuse.enquiries@dpi.nsw.gov.au).

DPI has reviewed the Statement of Environmental Effects and provides the following recommendations for consideration in assessment of the proposal:

- All groundwater monitoring results should be published in the Annual Review.

Yours sincerely
