Dear Sir/Madam,

Modification to Caltex Kurnell Refinery - 2 Solander Street Kurnell

Reference is made to your correspondence dated 19 June 2018 seeking advice regarding bush fire protection in relation to the above application made in accordance with the *Environmental Planning and Assessment Act 1979*. The application seeks approval to extend the duration of the demolition period, approved as part of SSD 5544 MOD 1, by an additional ten months (until 10 June 2019), to accommodate delays associated with the removal of butane infrastructure across the site.

The New South Wales Rural Fire Service (NSW RFS) advises that it has no objection to the proposed modification and raises no issues in relation to bush fire.

If you have any queries regarding this advice, please contact Kalpana Varghese, Acting Team Leader - Development Assessment and Planning, on 1300 NSW RFS.

Yours sincerely,

Nika Fomin
Manager
Planning and Environment Services (East)
