Hi Renee,

I am dealing with the request as of yesterday.

I've had a look at the letter, drawings and the contents of the Planning Report. I note that the application is merely for fitout and use of the approved tower.

As such, Council does not have any comments on the application. I trust that satisfies the Department's consultation requirements.

Hi Russel,

I understand you might be able to assist me – I am trying to follow up a letter we sent to Council on 21 January 2013, refer to attached letter (ref# 2013/023824). Can you please advise which Council officer is looking after this? We urgently need a response as we are lodging the SSD with the Department shortly.

Regards,
