Subject: Airly Coal Mine - Rehabilitation Strategy

Dear Ms Howat

I refer to the Airly Mine Rehabilitation Strategy submitted in accordance with Condition 27, Schedule 4 of the approval for the Airly Mine (SSD-5581). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of the approval (SSD-5581).

You are reminded that if there are any inconsistencies between the Airly Mine Rehabilitation Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Gabriel Wardenburg on (02) 9585 6810.

Yours sincerely
