Dear Ms Crameri

**DGRs for Temporary Sydney International Convention and Exhibition Precinct
Glebe Island (SSD 5589-2012)**

Please find attached a copy of the Director-General's environmental assessment requirements (DGRs) for the preparation of an Environmental Impact Statement (EIS) for the above mentioned project.

The DGRs have been prepared in consultation with relevant government agencies based on the information you have provided to date including at the Planning Focus meeting convened on 2 October 2012. I have attached a copy of the government authorities' comments for your information. Please note that the Director-General may alter these requirements at any time.

If you do not lodge a DA and EIS for the development within 2 years, you must consult further with the Director-General in relation to the preparation of the EIS.

Prior to exhibiting the EIS that you submit for the development, the department will review the document in consultation with the relevant agencies to determine if it addresses the requirements in Schedule 2 of the Environmental Planning and Assessment Regulation 2000.

I would appreciate it if you would contact the department at least two weeks before you propose to submit your EIS. This will enable the department to:

- confirm the applicable fee (see Division 1AA, Part 15 of the Environmental Planning and Assessment Regulation 2000); and
- determine the number of copies (hard-copy and CD-ROM) of the EIS that will be required for reviewing purposes.

Your contact officer, Sara Roach, can be contacted on 02 9228 6389 or at sara.roach@planning.nsw.gov.au. Please mark all correspondence regarding the proposal to the attention of the contact officer.

Yours sincerely
