Dear Rose-Anne,

Thank you for providing WaterNSW with the opportunity to review and comment on the Response to Submissions (RTS) for the Springvale Mine Extension Project Modification application (SSD 5594 MOD 1). WaterNSW has reviewed the RTS and notes that the concerns raised in our response (D2016/94849, dated 23 August 2016) have been acknowledged and largely addressed.

WaterNSW would like to be consulted with any reviews of relevant Management Plans as recommended in the RTS.

If you have any further questions, please contact Nicole Wallwood on (02) 4724 2458 or Dr Girja Sharma on (02) 4724 2459.

Regards  
Malcolm
