Dear Jennifer

Springvale Mine Extension Project (SSD5594) –
SPR38 and SPR1302 Trigger Investigation Report

On 27 November 2020, Springvale notified the Department of a piezometric head change in accordance with the Water Management Plan Trigger Action Response Plan (TARP). The Water Management Plan is a component of the Springvale 424-427 Extraction Plan prepared and approved under Schedule 3 Condition 10 of Springvale's Consent SSD 5594.

A Trigger Investigation Report has been prepared in accordance with the Swamp Monitoring Program TARP Chart 3 as required under the Water Management Plan. This has been provided within 8 weeks of trigger notification as required.

The Department of Agriculture, Water and Environment has been provided a copy of the investigation report in accordance with EPBC 2013/6881.

If you require any further information in regard to the above please contact James Wearne on 49358944 or email james.wearne@centennialcoal.com.au.

Yours sincerely

James Wearne
