Subject: Environmental Management Strategy (June 2022) - Springvale Coal (SSD-5594)

Dear Tam,

I refer to the Environmental Management Strategy dated June 2022, which was submitted in accordance with Condition 6 of Schedule 6 of the development consent for the Springvale Coal Mine Extension (SSD-5594). The Department notes the document was revised following the submission of the 2021 Annual Review.

The Department has carefully reviewed the document and is satisfied that generally meets the requirements of the relevant conditions

Accordingly, as nominee of the Planning Secretary, I approve the Environmental Management Strategy (June 2022).

You are reminded that if there are any inconsistencies between the Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Gabrielle Allan on 02 9585 6078.

Yours sincerely
