Subject: RE: Burroway Solar Farm - Request for input into SEARs

Hi Nestor,

Essential Energy has not had an enquiry related to this project as yet. If this project is looking to connect to EE, they need to input a Preliminary Enquiry on our online portal to gain the required information.

Subject: Burroway Solar Farm - Request for input into SEARs

WARNING: Do not click links or open attachments unless you recognise the source of the email and know the contents are safe.

Burroway Solar Farm (SSD- 55968733) Request for Input into Secretary's Environment Assessment Requirements (SEARs)

The Department of Planning and Environment has received a request for SEARs for the Burroway Solar Farm, located within the Narromine Shire local government area. The proposed development is a State Significant Development under the *Environmental Planning and Assessment Act 1979*.

Please provide input into the SEARs for the proposal including details of any key issues and assessment requirements by 22 March 2023.

A copy of the Department's draft SEARs are attached. A copy of the project's scoping report can be found on the Department's website, here: <https://www.planningportal.nsw.gov.au/major-projects/projects/burroway-solar-farm>

If you have any enquiries, please contact Nestor Tsambos nestor.tsambos@dpie.nsw.gov.au or on 9274 6348.

The Department of Planning and Environment acknowledges that it stands on Aboriginal land.

We acknowledge the traditional custodians of the land and we show our respect for elders past, present and emerging through thoughtful and collaborative approaches to our work, seeking to demonstrate our ongoing commitment to providing places in which Aboriginal people are included socially, culturally and economically.
