Dear Mr Tsambos

Subject: Burroway Solar Farm (SSD-55968733) - Request for Planning Secretary's Environmental Assessment Requirements (SEARs).

Thank you for the opportunity to provide advice on the above matter. This is a response from the Department of Regional NSW – Mining, Exploration & Geoscience (MEG) – Geological Survey of NSW (GSNSW).

MEG-GSNSW has reviewed the scoping report and notes Exploration Licence 8961 (EL8961), held by Sunrise Energy, overlies the proposed solar farm. The proponent states they will continue to engage Sunrise Energy through the project's development. MEG has no additional requirements to those in the draft SEARs.

Queries regarding the above information should be directed to the MEG-GSNSW Land Use team at landuse.minerals@regional.nsw.gov.au.

Yours sincerely,
