Subject: Amendment of Application

Dear Mr Smith

I refer to the Amendment Report which was submitted on 5 December 2025 in accordance with the Environmental Planning and Assessment Regulation 2021 (the Regulation) for Burroway Solar Farm (SSD-55968733).

The Amendment Report has requested the addition of a temporary workers accommodation facility.

The Department has reviewed the Amendment Report and is satisfied the amended project would result in a reduction in demand on local services and accommodation providers.

Accordingly, I as delegate of the Independent Planning Commission approve the application for the amendment.
